The Holy Land Experience in Orlando Florida is an interactive attraction that takes you 2000 back in time to the world of the Bible.

This is not your ordinary theme park. You can learn about the Wilderness Tabernacle and the Great Temple through a live theatrical presentation; discover the amazing history of the Bible; explore a miniature city of Jerusalem; see re-enactments of Jesus' life, death, and resurrection; and watch people rock and roll for Jesus in their original musical productions.

Here you can have your picture taken together with Jesus. You can experience the Last Supper and walk in the parted Red Sea.

All is done with plastic side scenes, fake blood and hard working actors.

This one of a kind theme park was founded by Marvin Rosenthal, a baptist minister that was born jewish but converted to christianity. It has seen its' s controversy being criticised by jewish groups for attempting to convert jews to christianity.

In Melissa Goldens reportage about The Holy Land Experience we can participate in the crucifixion and resurrection of christ: six days a week.
